

# NEW MODEL **1550** **FRONTIER**

## **THERE'S A PACKAGE TO SUIT **EVERYONE****

The 2023 Stabcraft 1550 Frontier marks the much anticipated return of a popular Stabcraft® model. We have reworked and rearranged the model for broader end-user appeal and expanded on the features of its very popular smaller sibling, the 1450 Frontier while offering an open-boat style alternative to the immensely popular 1550 Fisher.
